### **For Immediate Release**

### **Art Among the Trees and Tim Myers at the Plaza El Segundo**

**El Segundo, CA – October 24, 2007-** Enjoy the original music of **OUTTA NOWHERE**, featuring El Segundo's own TIM MYERS AND HIS FRIENDS Ned Albright , Phil Parlapiano, John Fellers and David Romeo, Saturday, October 27, 2007 from 2:00 PM until 3:00 PM at the Plaza El Segundo.

The event is a Celebration of artistic happenings in The Collection and The Plaza. Plan your day and will enjoy an art fair, music and so much more. Meet your friends and neighbors. Bring the family and shop your favorite stores. But most of all enjoy the performance of Outta Nowhere who loves performing live. Recently, Tim was quoted as saying, "Playing live on stage is so different from playing in the studio. It's physical and tangible at the same time. Energy comes from the audience and sometime your music takes on a life of it's own".

All the songs are written by Tim and are reflective of his personality. With so many things to say, Myers writes with the raw emotion of a man not ashamed to let the world know how he feels. His music runs the gamut from lyrics about the environment, tributes to soldiers who have fought for the freedoms of America ("Hey What's New" and "War Baby"), songs about his grandchildren ("Seven Little Angels") and even a love song, written for his wife, Vickie.

The Plaza El Segundo is Located on Sepulveda Boulevard just north of Rosecrans Avenue. Access is easy! Two entrances are now open to northbound and southbound traffic traveling along Sepulveda Boulevard. When you arrive, go to the Central Stage Area in the Marmalade Parking Lot.
